Concern: Juniors Programme 2009

Dear President,

During its last meeting in Madrid, the UEG Executive Committee has decided that the format of the next Junior Championships 2009 in Baku **will NOT be changed**.

Therefore, the programme will be as follows:

- Senior - Team Competition (Comp. I)
- Senior - Final Competition (Comp. III)
- Junior - Group Competition I and IV consisting of one **exercise with ribbon**.

With this letter the information from March concerning the Juniors Programme is no longer valid.

We hope that everything is clear now and we regret the confusion. However, this was not due to a mistake of the UEG.

If you need further information, please do not hesitate to contact us.

We wish your Federation a successful preparation and remain,

With best regards

Heide Bruneder
President TC-RG/UEG
